# THE FOUNDERS

Hi, we're James and Francis, an entrepreneurial couple from Canada that enjoys entertaining friends and family at our home.

We hope our products help your customers create the most welcoming home imaginable.

A white cylindrical Velvue diffuser sits on a light-colored wooden tray. Next to it is a small, amber-colored glass bottle with a white dropper cap. The diffuser has a perforated top and the "velvue" logo on its side. The tray is placed on a white surface, possibly a bathroom vanity. In the background, there is a large green plant and a white toilet.
